

Construction Activity Notice

To modernize stations and increase capacity on the Brown Line, work will be performed that may affect your community. While progress sometimes comes with inconveniences, we will do our best to keep them to a minimum.

Dates: 6:00 a.m., Saturday, July 8 to
4:00 p.m., Sunday, July 9, 2006

Work Activity: Setting crane for installation of track panels

Impact to Residents:

- School Street will be closed from Sheffield (1000 W) to Clark Street (900 W).
- The alley adjacent to the west side of CTA's elevated structure will be closed between Belmont and School Street. The alley will be open to residents needing to enter or exit garages.
- "No Parking" restrictions will be in effect during the work activity.
- There will be some noise while the work is being performed due to the use of construction equipment, crane operation and periodic use of air horns that notify work crews of oncoming trains.
