

Rail Line Customers: Leave early. Leave late. Alternate.

Effective April 2007

Due to construction, Brown Line, Purple Line Express and Red Line trains will operate on three tracks instead of four at the Belmont and Fullerton stations. Longer wait times and more crowded trains are expected particularly during rush periods.

To ease the impact on your commute, allow extra travel time, leave earlier or later, or try alternate transit service such as CTA buses:

- #8 Halsted
- #11 Lincoln/Sedgwick
- #22 Clark
- #36 Broadway
- #76 Diversey
- #77 Belmont
- #151 Sheridan
- #156 Lasalle
